

ARE YOU RELENTLESS?

Relentless is a brand new game show for T4, Channel 4's entertainment zone aimed at young people. Applications are now open and filming will commence in September and continue throughout October.

Relentless is the game show that takes place in your real life - it can happen anywhere and at anytime. And, if you're successful, then you could win a big cash prize.

We are travelling the length and breadth of Britain to find the best contestants aged 18 to 26 who have the bottle to take on Relentless. And that means we're coming to a city near you. One lucky person will be chosen and will take to the streets of their hometown where they will be faced with a series of bizarre challenges. Only if they successfully complete this task against the clock will they get the chance of playing for cash. We'll be roping in some famous faces, appearing in iconic city locations to drive our contestant to the brink.

Zig Zag Productions, the makers of **Relentless** are scouring major cities for the most dynamic, determined and daring contestants to take part. We're looking for guys and girls aged 18-26 with top notch personalities who are confident that their general knowledge and stamina are up to scratch.

If anyone is interested in playing Relentless, email:
relentless@zigzag.uk.com or call: 020 7017 8765 for more info and to apply.
